BEAR LAKE

When you see Bear Lake for the first time, you'll know why it's often referred to as the Caribbean of the Rockies.

The turquoise waters invite you to dive in and enjoy the many recreational activities Bear Lake has to offer year-round.

There are literally thousands of square miles of fun that include beaches, boating, fishing, water sports, hiking, snow skiing, ice fishing, snowmobiling, exploring, history, and so much more!

SPRING SUMMER FALL

Bear Lake has over 70,000 acres of water. It's so large you often feel like you have the lake to yourself. There are numerous boat ramps and access points for whatever fun you like best.

The shallow beaches are perfect for swimming or getting started on your paddle board, kayak, canoe, or raft. Bring plenty of sunscreen,

beach umbrellas and food because it's easy to lose track of time and spend the entire day at the lake.

Bear Lake Valley is typically cooler than surrounding areas, which makes it perfect for summertime getaways. Even with the cooler air, the water is great for swimming and wading.

Take in the cool breezes and easy waves as you enjoy the breathtaking 360° views.

SPRING SUMMER FALL

The water is great, but Bear Lake Valley offers much more during the warm weather months.

- **HORSEBACK RIDING**
- **CAVE EXPLORING**
- **BACK COUNTRY ATV**
- **CAMPING & PICNICS**
- **HISTORICAL TOURS**
- **WILDLIFE VIEWING**
- **GOLF & GO CARTS**
- **BRIDGERLAND ADVENTURE PARK**

Create an adventure every day. Bear Lake Valley has an impressive checklist of things to do. Most are within an hour's drive, and you'd be surprised what you can cram into one day.

The Minnetonka cave is a must-see, but bring a jacket because it's a constant 40° F year-round.

Whatever the adventure, remember to bring the proper gear and snacks.

And don't forget to pick up a world-famous raspberry shake. They're dynamite!

VISIT BEAR LAKE

HISTORIC

Bear Lake was first inhabited by Shoshone Tribes that lived in the area for hundreds of years. Its rich abundance soon attracted fur trappers and pioneers who traded with the Shoshone at the south end of the lake. Today the area is still referred to as Rendezvous Beach.

The first permanent settler of Bear Lake Valley was a crusty old one-legged mountain man named Thomas "Peg Leg" Smith. He set up trading posts in the 1840s that supplied travelers for their journey along the famous Oregon/California Trail.
